

All Clubs,

Please note that starting November 1 2017 the National Database will rollover to the 2018 season. There will be a change in the way NEW REGISTRATIONS are dealt with.

**From November 1, Rugby League Brisbane will approve or deny all NEW pending registrations.** NEW Registrations will only be approved when the following occurs:-

#### Players

- A photo is uploaded to the participant's profile on LeagueNet
- Identification is uploaded to the participant's profile on LeagueNet
- The Full name and DOB on the profile matches the identification provided

#### Coaches & Volunteers

- For all coaches & volunteers "directly" involved in a team (Coach, FAO, LeagueSafe) a photo must be uploaded to the profile on LeagueNet

The club MUST upload all required photos and documents to the participant's profile and notify Rugby League Brisbane via email when completed for approval.

Players CANNOT play and coaches & volunteers CANNOT participate in the game until fully approved and sitting in the club's active members.

Participants will be rejected if the name and or DOB on the identification does not match what is on the participant's profile. They will then be required to register again with the correct details.

If you have any questions please contact the Rugby League Brisbane office on 3367 6016.
