Any club wishing to dual register players must, prior to playing any such player, submit a portability transfer request through MySideline. This transfer must be fully completed before the player can play for the dual registering club.

In accordance with QRL Rule Part 4 - a person who has reached the age of forty (40) years or is reaching that age during a Football Year and desires to participate in a Game under these Rules must provide a medical certificate or report (each season) which specifically states the person is medically fit to play the sport of Rugby League prior to participating in any game, training session or carnival.

Players over the age of forty (40) who have not provided an approved medical certificate will be deemed an ineligible player. Sanctions may apply as per [QRL Rules Part 5](#).

Player Eligibility

A player cannot play in a lower-level game if the player has already played a game that is of a higher division or age group in the same competition round or final round. Classification of Players must also be considered when reviewing Player Eligibility for Core Players.

Classification of Players (Juniors)

Every player within each team in the Under 13 to 18s competitions will be classified as either a 'core player' or 'non-core player' and are subject to the rules relating to the movement of players.

Junior clubs (Under 13 to Under 18), with more than one team in the same competition age group, are required to grade their players into teams based on skill level. The best and most skilled players must be allocated to the highest graded team and the least skilled players to the lowest graded team within the same age group. There must be 10 core players named following the completion of round four (4). Clubs must complete their Player Grading Register for each of its teams and submit to the Competition Administrator. Player's names must only appear on one team register.

The Competition Administrator may determine a player's core/non-core status and their grading in the absence of a Player Grading Register.

Deliberate attempts to exclude players from the core player list to gain advantage for lower divisions/grades is considered a serious breach of these rules and may incur a fine as per the local league's schedule of fees with a possible loss of competition points.

Players Moving Between Grades (same age group)

- ⊘ Core players are unable to participate in any lower graded team but are permitted to participate in higher graded teams in the same competition age group.
- ⊘ Non-core players listed on a higher graded team's Player Grading Register are only permitted to play down in the next lowest graded team within the same age group in their club.
- ⊘ Non-core players are permitted to play unlimited games up in a higher grade at any time during the fixture rounds.
- ⊘ Under no circumstances are lower graded players to be forced to play in a higher graded team within the same age group. The player and player's primary carer's consent must be obtained before using a lower graded player in a higher graded team.
- ⊘ If a club has multiple teams in a single division of the same age group there will be no lateral movement of players between the teams after round 4.
 - Requests for lateral movement can only be given because of significant injury or absence and must be submitted to the Competition Administrator for consideration.

Defaulters

Clubs are responsible for collecting registration fees from players by 30 June of the Football Season and paying the required contribution to the League. Clubs shall not play any player who has not paid their registration fee for the Football Season. Any club who permits a player to play in matches when that player has not paid their registration fees will be deemed to have paid those fees on the player's behalf and shall carry the financial burden of the unpaid fees.

Competition Management

Junior & Senior Competitions

Competitions will be classified as Junior (Under 6 to Under 18 years) and Senior (Under 19 and above) grade.

Guidelines for players in Under 6 to Under 12 competitions inclusive are as follows:

- ⊘ Competition ladders and scores are not published.
- ⊘ No finals series.
- ⊘ No premiership trophies.
- ⊘ All teams play an equal number of games across the competition where possible.
- ⊘ Teams are structured in a fair and honest manner so that teams/players of similar ability play against each other as often as possible where clubs have more than one (1) team in the competition.
- ⊘ Teams are divided into "Pools" rather than "Divisions" if applicable.

Nomination of Teams

- ⊘ All team nominations are to be submitted to the Competition Administrator via the SEQ Region Team Nomination Form a minimum of three (3) weeks prior to the scheduled commencement of competition rounds.
- ⊘ The Competition Administrator reserves the right to decline any late team nominations.
- ⊘ The Competition Administrator may allocate a team to a competition grade different from its nomination, considering factors such as the team's results from the previous year, its playing squad, and the size of the competition.

Recommended Minimum Players to Nominate a Team/s

For a club to nominate 1 team it should attain a minimum number of registered players:

- ⊘ Under 6 and Under 7 = 8 registered players
- ⊘ Under 8 and Under 9 = 10 registered players
- ⊘ Under 10 and Under 11 = 15 registered players
- ⊘ Under 12 to Under 18 = 17 registered players
- ⊘ Open's (Men's and Women's) = 19 registered players

If player numbers fall outside the recommended guidelines, please contact your Competition Administrator for support.

Regrading / Withdrawal of Teams

Any regrading that may be required will only be undertaken with the express approval of the Competition Administrator.

Teams requesting to be **dropped down** a division after **round 4** will be ineligible to play finals in that lower division should that request be approved. If the regrading is approved, all opposing teams in that division will automatically receive competition points that constitute a win.

A team **promoted** to a higher graded competition will take their premiership points only and not 'for' and 'against' points. Team being promoted to a higher graded competition will be eligible to play finals.

For teams being added to the competition:

- ⊘ The team nomination fee must be paid before the team will be added to the competition.
- ⊘ New teams added to the U13 – U18 age group competitions will start with zero points.

If a team withdraws from a competition throughout the season, previous and future fixtures & results will be reviewed and/or adjusted at the discretion of the Competition Administrator.

For teams being withdrawn from the competition:

- ⊘ A team withdrawal fee will be payable for each team withdrawn as per the local league's schedule of fees.
- ⊘ Those clubs with multiple teams in the same age group seeking to withdraw a team will be required to withdraw the lowest graded team.
- ⊘ Requests for regrading will be subject to the approval of the Competition Administrator.

Ground Managers & Duty Officials

Ground Managers are responsible for the off-field environment of matches, and the enforcement of the NRL National Code of Conduct including managing spectator behaviour at games and always ensuring the safety and wellbeing of everyone.

Ground Managers are required to complete the [Game Day Checklist](#) prior to the commencement of matches.

The Ground Manager must be accredited and have a minimum of 1x per international field. **Games will not commence without a host venue Ground Manager present and visible (wearing a red vest).** **Both host and visiting teams are required to provide at least 1x Duty Official each.** Ground Managers and Duty Officials must be a minimum of 18 years of age.

For further information, refer to the [Ground Manager Handbook](#).

- ⊘ A win shall be allocated two (2) competition points.
- ⊘ A draw shall be allocated one (1) competition points.
- ⊘ A loss shall be allocated zero (0) competition point.

- ⊘ A forfeit declared will be penalised 1 (-1) competition points.

Should teams be equal on competition points at the end of the regular season, the higher placed team(s) will be decided when the first of the following criteria, in order, favours one team:

- ⊘ Points differential (points scored 'for' minus points scored 'against')
- ⊘ Points scored 'for'
- ⊘ Head-to-Head result(s) between the teams concerned
- ⊘ Toss of a coin

Forfeits

Team Receiving Forfeit – A forfeit received will be classified as a 'win' and the team shall be allocated two (2) competition points, in addition to +50 'for' points.

Teams Declaring a Forfeit – A forfeit declared will be classified as a 'loss' and the team will be penalised one (-1) competition point, in addition to -50 'against' points.

Teams who forfeit for three (3) consecutive weeks or who reach a total of five (5) forfeits may receive additional fines from the Competition Administration. A letter will be issued to the club asking why the team should not be excluded from the remainder of the season.

If a club forfeits a match, the club must forfeit the lower division/grade team first. This rule is subject to special consideration with junior teams.

Teams will not be permitted to forfeit any local competition fixtures to attend a QRL Carnival and Permission to Participate forms will be declined.

Cancellation, Suspension, Postponement

The Competition Administrator & Area Manager must be notified of all matches delayed, cancelled, or postponed. Clubs must agree on replaying the game within two (2) weeks at the **discretion of the Competition Administrator**.

If an arrangement in consultation with the Competition Administrator cannot be decided between both clubs, the game will be declared a draw, with one (1) competition point and 50 points 'for' awarded to both teams.

Matches cancelled due to a washout, will only be replayed at the **discretion of the Competition Administrator**. If a match cannot be replayed, the match will be declared a draw, with one (1) competition point and 50 points 'for' awarded to both teams.

If a match is terminated when less than half of the match has been completed, the match shall be declared a draw and one (1) competition point awarded to both teams.

If more than half of the match has been completed, the score at the time play is suspended will determine the outcome the match. The competition point(s) and for/against points will be awarded accordingly on the competition ladder.

In the event of the referee stopping a match after it has commenced due to a team having an insufficient number of players to continue, the match shall be deemed a loss by the team with the insufficient number of players. Temporarily suspended players (sin-binned) are included in the player count. Players dismissed from the field (sent-off) or who have retired from the game due to injury are not counted. Points scored, (for and against) at the time of the abandonment shall stand regardless of which team was leading.

Mercy Rule

All matches in the Under 13 to Under 18 competitions will have the option for the game to cease at the discretion of the coach of the losing team when there is a gap of fifty (50) points or more. The coach of the losing team may elect to conclude or continue the match. Should the losing team wish to continue the match, they must inform the Ground Manager.

Whenever the 'Mercy Rule' results in a game finishing before the designated match duration, this must be recorded on the match report. Enter as Disputed and add note "Mercy rule applied".

Scores entered in MySideline must reflect a fifty (50) point margin and will be adjusted as necessary.

Recommended suggestions for the coach of the dominant team to employ to avoid an early end to the match:

- ⊃ Reduce the number of the dominant team's players on the field.
- ⊃ Return possession of the football to the opposition.
- ⊃ Try players in different playing positions.

No other changes to the International Laws of the game should be made.

The Mercy Rule **does not** apply in finals fixtures. The Mercy Rule **does** apply to U13s & U14s positional play off matches.

Finals Eligibility

- i. To be eligible for any finals series match, a player must have **played three (3) or more Premiership fixture matches** in the current season for their club prior to the completion of the final round of fixtures as well as satisfying other applicable qualification rules. For the purposes of determining the number of games played during the season, only one (1) match in any fixture weekend will count; multiple matches in different grades on the same weekend will only count as one match. In this case, the lower grade match shall count in determining qualification.
- ii. All players who have met the minimum match requirement will qualify to play in the Finals Series in the division and/or graded competition where they have played most of their matches.
- iii. If a player has participated in an equal amount of premiership competition matches in multiple levels of competitions, the player shall be deemed eligible for the lower level.
- iv. Any player who has qualified for a lower-level competition, will still be eligible to participate in the Finals Series of a higher-level division or age group. If playing in multiple finals matches during the same round, the lower-level match must be played prior to the higher-level match.
- v. **SENIORS ONLY:** A player who has qualified for a higher-level grade but fails to gain selection for that team will be deemed eligible to play in a lower-level grade finals series match, provided they have played the minimum required games in the lower-level competition. Once the higher-level team is eliminated from the finals series, that player will then be deemed ineligible to play in the lower-level competition.

Injury Dispensation for Finals

Any player who sustains an injury during a competition game, must provide a medical certificate and/or upload injury via MySideline within fourteen (14) days of the injury and a medical clearance to obtain eligibility for any missed fixtures. This must also be provided to the Competition Administrator.

Golden Point (Finals Only)

1. If scores are equal at the conclusion of normal time, a 2-minute break will occur (and coin toss) prior to a five (5) minute Golden Point period is played.
2. Remaining Interchange Cards to be handed to official and have 2x interchange cards returned for the Golden Point period if applicable.
3. In Golden Point, the first scorer of any point or points (e.g., field goal, penalty goal or try) will immediately be declared the winner.
4. If the score remains equal after the first five (5) minutes of Golden Point, teams shall immediately change ends for kick-off. Play shall continue for an unlimited time basis until the first point/s have been scored to determine the winner of the match.

Players temporarily suspended (sin-binned) are required to serve their full suspension, even if the match enters a Golden Point period. Golden Point is considered part of regular playing time, and all clocks are synchronized accordingly. For example:

- ≈ 73rd minute – ‘Player A’ gets sent to the sin bin
- ≈ 80th minute – Scores are locked at 18-18 so the match enters a Golden Point period
- ≈ 83rd minute – ‘Player A’ may enter back into the match

NRL On-Field Policy

All leagues within the SEQ Region adhere to the [NRL On-Field Policy](#). Local A-Grade competitions will strengthen the rules by implementing the below for LeagueSafe trainers:

- LeagueSafes in Men’s A-Grade fixtures are allowed access to the playing field:
 - When facilitating an interchange of Players,
 - When a try has been scored,
 - During a time-out called by the Referee for an injury,
 - During a drop out,
 - On three (3) occasions per half to carry messages to individual Team members when their Team is in possession
 - Each LeagueSafe will be supplied with three (3) cards for each half. On each occasion LeagueSafes must hand a card to a Ground Manager or Interchange Official prior to entering the field of play. LeagueSafes must only enter the field of play after their Team gains possession of the football and leave the field at the completion of the 4th tackle, immediately returning to the Team bench area (i.e. running) without interfering with play or running behind the opposition Team’s defensive line.
- LeagueSafe must return to their team’s bench area as soon as possible after fulfilling their duties on field. Must not give general messages to the Team or otherwise assist in the task of coaching (save for the carrying of messages to individual Team members) while play is progressing
- A Coach cannot act in the role of both on-field safety person (i.e. LeagueSafe, Level 1 or Level 2) and Coach during the same game. One individual is required for each role.
- As per the International Laws of the Game, Match Officials reserve the right to remove trainers from the field of play if they deem the trainers to be interfering with regular match play, regardless of whether a tactical card has been used.

Maximum Team Staff Allowed on Team Bench

- ≈ U6 - U12s Competitions: 6 team staff.
- ≈ U13s - U18s Competitions: 6 team staff.
- ≈ Open’s Community Grade Competitions: 6 team staff.
- ≈ Premier Grade Competitions: 8 team staff.

*No injured players on the bench are allowed. Only active players and named team staff on the match sheet are allowed to be situated in the team bench.

Junior Coach Positioning – Game Day

At all times, the coach must remain at the team bench. There are exemptions for Under 6 coaches and Under 7 coaches (up until Round 4). Coaches must remain at the team bench from Round 4 in Under 7 competitions and above.

Senior Coach Positioning – Game Day

Coaches are permitted to view the match from the team's bench, or behind the goal posts. However, coaches are only allowed to coach from the team bench (and not behind the goal posts). E.g., messages must be provided from the team bench and not from behind the field. There must always be an accredited coach within the team bench.
